

Animal Welfare
Institute

PUBLICATIONS

a listing of free or cost-priced books,
reports, and brochures

THE ANIMAL WELFARE INSTITUTE is dedicated to reducing animal suffering caused by people. We seek better treatment of animals everywhere—in the laboratory, on the farm, in commerce, at home, and in the wild.

AWI offers one free copy of publications listed herein to the following: libraries (all publications), teachers (publications suitable for the classroom), laboratory personnel and IACUC members (publications in Animals in Laboratories section).

ALL MATERIALS ARE PUBLISHED BY AWI UNLESS OTHERWISE STATED
👉 DEPICTS MATERIAL AVAILABLE FOR DOWNLOAD AT WWW.AWIONLINE.ORG

PROTECTION OF ANIMALS

About AWI

Overview of AWI's goals and programs to alleviate the suffering inflicted upon animals by humans. **Free** 👉

AWI Quarterly

Full-color magazine that explores current animal welfare issues, including treatment of animals in research, agriculture, commercial trade, at home, and in the wild; summarizes international meetings, laws, and treaties affecting animals; and contains timely book reviews. One year subscription: **\$35** 👉

Animal Welfare Institute: Information Report and AWI Quarterly Compilation

Two-volume set offering a unique compendium of the first 50 years of AWI's work for animals; 1,800 pages. **\$20**

Animals, Nature and Albert Schweitzer

Collection of Albert Schweitzer writings exploring the development of his philosophy of treating all living things with reverence; editing and commentary by Ann Cottrell Free (The Flying Fox Press, AWI Special Edition, 1988), 81 pages. **\$2**

AWI Compassion Index

Online resource that offers updates on pending legislation and governmental actions affecting animal welfare, and provides a rating for each member of Congress based on their animal welfare–related legislative decisions: www.compassionindex.org 👉 only

Free Trade Brochure

Overview of how trade agreements negatively impact animals and undermine the laws that are supposed to protect them. **Free** 

Monkeys Don't Wear Diapers: Heartwarming and Heartbreaking Stories from a Monkey Sanctuary

Profiles of a special group of former pets and other monkeys who came to live at OPR Coastal Primate Sanctuary; by Polly Schultz with Kenneth Litwak, 2015, 154 pages. **\$6**

Population and Consumption Brochure

Discussion of the impacts of expanding human population and consumption on the natural environment and wildlife, and what individuals and policymakers can do to lessen our negative environmental impacts. **Free** 

Primates Are Not Pets

Examines the suffering primates endure as a result of the pet trade and explains why these wild animals should not be kept as pets. **Free** 

The Schweitzer Medalists Brochure

Complete list of individuals upon whom AWI has bestowed the Albert Schweitzer Medal since 1955 in honor of their outstanding contributions to animal welfare. **Free** 

COMPANION ANIMALS

Animal Cruelty Crime Statistics: Findings from a Survey of State Uniform Crime Reporting Programs

First-time snapshot of whether and how states collect and report animal cruelty crime data to the FBI; by Lynn A. Addington and Mary Lou Randour, 2012, 16 pages. One free copy to law enforcement personnel. **\$2** 

Basic Guidelines for Operating an Equine Rescue or Retirement Facility

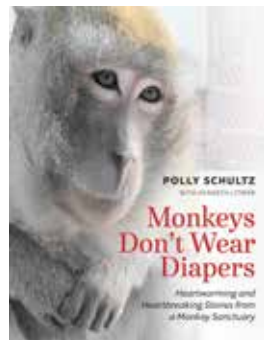

Practical information on how to care for horses at a rescue or retirement facility; by AWI and HSUS (revised edition, 2011), 24 pages. **\$2** 

The Homes for Horses Coalition Brochure

Description of the Coalition's mission to provide care and homes to horses in need, advance the highest operating standards for equine rescue and retirement facilities, and promote responsible horse ownership.  only

Horse Slaughter Brochure

Discussion of why legislation is needed to ban the slaughter and export for slaughter of American horses for human consumption. **Free** 

FARM ANIMALS

A Consumer's Guide to Food Labels and Animal Welfare

Concise guide to help consumers understand the animal welfare implications of food label claims and certifications applied to dairy, egg, and meat products; 2014, available as a 4-page version and a pocket guide. **Free** 

Crimes Without Consequences: The Enforcement of Humane Slaughter Laws in the United States

Comprehensive analysis of the level of enforcement of humane slaughter laws from 2002–2007 at state, federal, and foreign slaughterhouses; 2008, 143 pages. **\$2** 

Farm Animals Brochure

Description of the inhumane conventional industry practices endured by animals raised for human consumption. **Free** 

Five Ways You Can Help Farm Animals

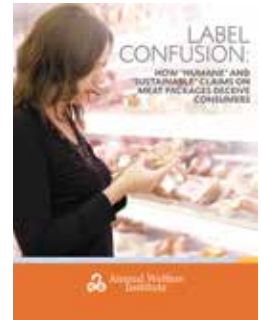

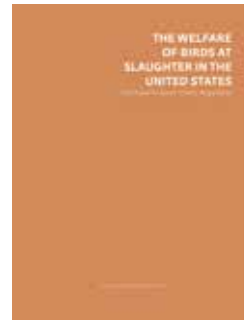

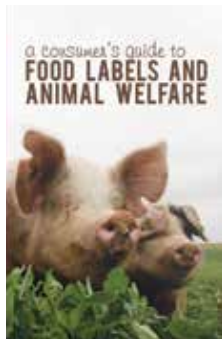

Description of actions people can take to improve the lives of farm animals, including how to shop for higher-welfare foods and ways to fight the growth of factory farms. **Free** 

Humane Slaughter Update: Comparing State and Federal Enforcement of Humane Slaughter Laws

Findings of a survey of state and federal humane slaughter enforcement, conducted as a follow-up to *Crimes Without Consequences*; 2010, 19 pages. **\$2** 

Humanewashed: USDA Process Verified Program Misleads Consumers About Animal Welfare Marketing Claims

Examination of how the Process Verified Program allows conventional producers to imply deceptively that the USDA has affirmed the validity of their farm animal welfare marketing claims; 2012, 13 pages. **\$2** 

Label Confusion: How “Humane” and “Sustainable” Claims on Meat Packages Deceive Consumers

Summary of an investigation by AWI that shows how the USDA is failing to provide oversight and require verification for “humane” and “sustainable” claims on the labels of meat products; 2014, 6 pages. **\$2** 

USDA Gives Producers Free Reign Over “Free Range” Product Labels

Summary of an investigation by AWI that shows how the USDA inadequately defines and approves “free range” (and equivalent) claims for chicken and turkey products; 2016, 10 pages. **\$2** 

The Welfare of Birds at Slaughter in the United States

Examination of how the USDA has failed to prevent cruelty to birds during the slaughter process in the United States; 2016, 20 pages. **\$2** 

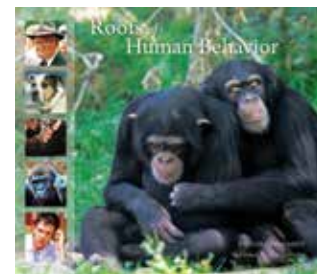

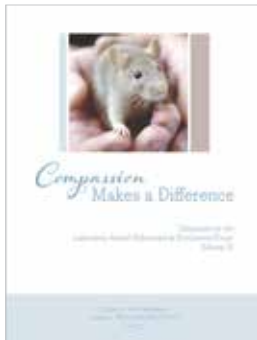

ANIMALS IN LABORATORIES

Bibliography for Institutional Animal Care and Use Committee Members

Online annotated bibliography of publications of interest to IACUC members and laboratory animal caregivers; includes publications on laws and regulations, training courses, alternatives to animals in research, and the psychological well-being of nonhuman primates.  only

Caring Hands: Discussions by the Laboratory Animal Refinement & Enrichment Forum (LAREF), Volume II

Nearly 2,000 comments by animal care personnel on a variety of topics aimed at improving the housing and handling conditions for animals in research; edited by Viktor Reinhardt, 2010, 291 pages. **\$4** 

The Case Against Random Source Dog and Cat Dealers

Report submitted to the House Subcommittee on Livestock, Dairy, and Poultry in support of the Pet Safety and Protection Act of 1996; 63 pages. **\$2**

Comfortable Quarters for Laboratory Animals

Guide for laboratory animal care personnel on the humane housing and handling of individual animal species in research facilities; edited by Cathy Liss, Kenneth Litwak, Dave Tilford, and Viktor Reinhardt (10th edition, 2015), 239 pages. **\$5**

Compassion Makes a Difference: Discussions by the Laboratory Animal Refinement & Enrichment Forum (LAREF), Volume III

Questions, answers, and comments posted to the forum by dozens of LAREF members over the course of more than two years, relating personal experiences in refining the conditions under which animals are housed and handled in research laboratories; edited by Viktor Reinhardt, 2013, 204 pages. **\$5**

Concentration Camps for Dogs

Description of the conditions and suffering animals endured on the premises of an amoral dog dealer in Maryland; reprint from *Life* magazine, 1966, 8 pages. **Free**

Environmental Enrichment and Refinement for Nonhuman Primates Kept in Research Laboratories: A Photographic Documentation and Literature Review

Photo documentation of ways in which macaques are housed and handled in research laboratories, and of successes in developing and implementing refinement alternatives; by Viktor and Annie Reinhardt (3rd edition, 2008), 130 pages. **\$2**

Magic of Touch

Reviews the scientific and professional literature to present evidence of the calming, stress-buffering, and life-enhancing effect of touch among animals, among humans, and between animals and humans; by Annie and Viktor Reinhardt, 2010, 82 pages. **\$4**

Making Lives Easier for Animals in Research Labs: Discussions by the Laboratory Animal Refinement & Enrichment Forum [LAREF], Volume I

Abridged conversations from LAREF containing practical tips and commentary on animals in experimental laboratories; edited by Vera Baumans, Casey Coke, Jennifer Green, Erik Moreau, David Morton, Emily Patterson-Kane, Annie Reinhardt, Viktor Reinhardt, and Pascale Van Loo, 2008, 190 pages. **\$3**

Roots of Human Behavior

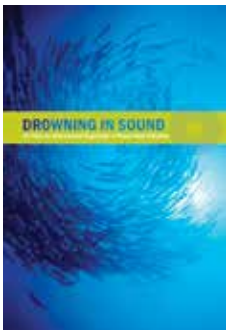

Vibrant photo documentation and discussion of the parallels between animal and human expressions, emotions, and psychology; by Viktor Reinhardt, 2009, 141 pages. **\$8**

Safe Pair Housing of Macaques

Guide for laboratory animal care personnel on ways to facilitate compatibility when housing rhesus macaques; by Jodi Carlson, 2008, 48 pages. **\$2**

Taking Better Care of Monkeys and Apes: Refinement of Housing and Handling Practices for Caged Nonhuman Primates

Tips on how to enrich the lives of nonhuman primates in research; by Viktor Reinhardt, 2008, 137 pages. **\$3**

MARINE LIFE

Drowning in Sound

Examination of the sources and impacts of human-generated ocean noise on the marine environment (French, Spanish, and German versions also available). **Free** 

Marine Mammals Brochure

A look at the eight primary dangers faced by marine mammals as a result of human activities in the oceans. **Free** 

Sea Turtles Brochure

Introduction to the various types of sea turtles, including their distribution and nesting habits, and a discussion of the threats they face and how we can help. **Free** 

Sharks at Risk Brochure

Overview of how overfishing and the fin trade is seriously depleting shark populations worldwide (Chinese version also available). **Free** 

Whales and Dolphins in Captivity

Examination of the captive cetacean industry and the harmful repercussions of “swim with dolphins” programs (French and Spanish versions also available). **Free** 

WILDLIFE

Alternative Traps: The Role of Cage and Box Traps in Modern Trapping, the Role of Legsnare in Modern Trapping, and the Role of Spring-Powered Killing Traps in Modern Trapping

Review of alternatives to steel-jaw leghold traps and their animal welfare implications; by Tom Garrett (revised edition, 1999), 51 pages. **\$2**

America's Last Wild Horses

Classic study of America's mustangs, describing their pivotal role in the history of the West, their return to the wild, and the ongoing efforts to preserve them; by Hope Ryden (The Lyons Press, 2005), 345 pages. **\$8**

Bushmeat Brochure

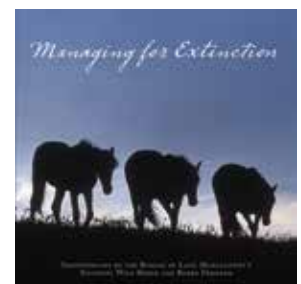

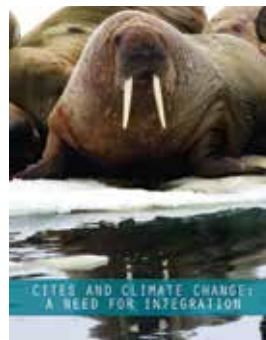

Description of the risks to wild terrestrial animal species such as great apes, elephants, and antelopes from hunting for commercial trade in their meat. **Free** 

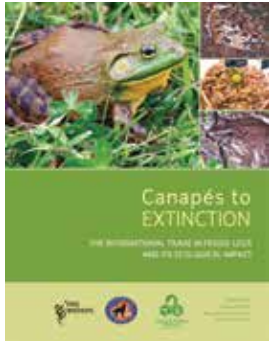

Canapés to Extinction: The International Trade in Frogs' Legs and Its Ecological Impact

First comprehensive study of the frogs' leg market, revealing an industry that is systematically devastating frog populations throughout the world; by Pro Wildlife, Defenders of Wildlife, and AWI, 2011, 33 pages. **\$2** 

CITES and Climate Change: A Need for Integration

Report on how climate change should affect decision-making under the Convention on International Trade in Endangered Species of Wild Fauna and Flora; by the International Environmental Law Project, AWI, the Natural Resources Defense Council, Defenders of Wildlife, and the International Fund for Animal Welfare, 2012, 20 pages. **\$2** 

MATERIALS FOR CHILDREN

A Dangerous Life

A graphic novel for middle school–aged readers about an American teen’s trip to Africa and her discovery of the terrible price elephants pay because of the global ivory trade; written and illustrated by Sheila Hamanaka (AWI and the Kenya Wildlife Service, 2014), 56 pages. **\$4**

Animal Friendly Biology Education: Study Them in Their Natural Habitats

Poster depicting an animal-friendly alternative in the classroom for biology education. **Free**

The Boy Who Loved All Living Things

Story to inspire young children to treat animals as friends and with utmost compassion, inspired by real events from Dr. Albert Schweitzer’s youth; written and illustrated by Sheila Hamanaka (revised edition, 2011), 26 pages. **\$3**

Digital Frog 2.5

Virtual dissection software, voted BEST dissection alternative by eSchool News readers. AWI has partnered with Digital Frog International, producer of the software, to offer a multi-seat license at no cost to schools in the US that commit to end all animal dissections. See www.awionline.org/stopdissections for details.

Humane Education Brochure

Overview of the problems with classroom dissection, and a description of alternatives. **Free**

Cull of the Wild: A Contemporary Analysis of Wildlife Trapping in the United States

Analysis of trapping activity, methods, research, and public policy in the United States; edited by Camilla Fox and Christopher Papouchis (API, 2004), 222 pages. **\$3**

International Trade in Wildlife Brochure

Examination of the harm to animals from international trade in wildlife, the status of laws to regulate such trade, and what consumers can do to help. **Free**

Managing for Extinction: Shortcomings of the Bureau of Land Management’s National Wild Horse and Burro Program

Detailed account of the BLM’s failure to properly manage these symbols of the American West; (revised edition, 2011), 30 pages. **\$2**

Trapped Animals Brochure

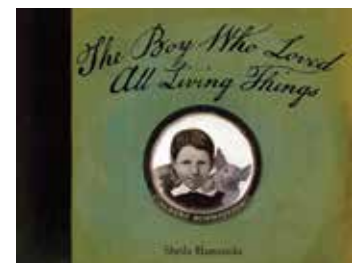

Overview of cruel traps and their impacts on animals. **Free**

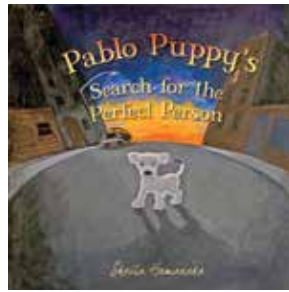

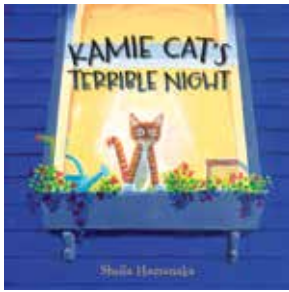

Trapping Agony

Views of Charles Darwin on the cruelty of the steel-jaw leghold trap, reprinted from *Defenders* magazine; 1 page. **Free**

What Is the Real Price of a Fur Coat?

Outline of the inhumane process involved in obtaining wild furs; 4 pages. **Free**

Kamie Cat's Terrible Night

Children's book about the misadventures of a cat who gets lost and yearns to be home; reinforces kindness and responsible cat care; written and illustrated by Sheila Hamanaka, 2010, 26 pages. **\$4** (Spanish version in streamlined format: **\$3**)

Pablo Puppy's Search for the Perfect Person

Story of a puppy and an older dog living in a shelter, to educate children about the needs of dogs and the value of humane treatment toward animals; written and illustrated by Sheila Hamanaka, 2008, 26 pages. **\$4** (Spanish version in streamlined format: **\$3**)

Activities for Children

Activities, based on our Kamie Cat and Pablo Puppy books, to encourage humane care of companion animals; includes a downloadable, fun, and engaging board game; coloring pages; and a card game; all available at: www.awionline.org/educationalmaterials. 🖱 only

THE ANIMAL WELFARE INSTITUTE was founded in 1951 and is dedicated to alleviating suffering inflicted on animals by humans. We need your help to continue our efforts. Please join us by making a donation.

Donors enjoy many benefits, including a subscription to the *AWI Quarterly* magazine and an opportunity to receive free copies of our books and other materials as they are published. In addition, we keep you informed of AWI's progress with special mailings as well as an annual report. Supporters are invited to Albert Schweitzer Medal presentation ceremonies.

With minimal overhead, we put your tax-deductible contribution to work immediately to help animals. AWI has consistently received top ratings from charity watchdogs in recognition of our wise allocation of funds.

Printed materials may be ordered online at www.awionline.org.

Please fill out the form below or join online at www.awionline.org/joinus. Your membership includes a subscription to the *AWI Quarterly* magazine.

I support your work and would like to donate to the Animal Welfare Institute. Enclosed is my tax-deductible contribution of:

- \$35 \$100 \$ _____
- \$50 \$250 \$10 Student/Senior Citizen

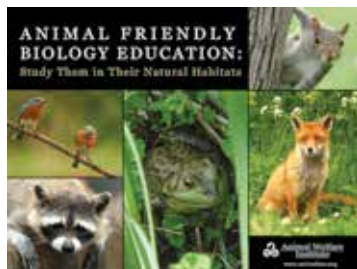

Name _____
 Address _____
 City _____ State _____
 Zip _____
 Email _____

- Check
- Visa Mastercard Discover American Express

Cardholder Name _____
 Card Number _____
 Exp. Date ____ / ____
 Signature _____

All orders should be accompanied by payment. For overseas and bulk quantities of AWI's free materials, please contact us to check availability and shipping costs.

I am interested in writing letters to members of Congress and other elected officials. Please add me to the action alert list.
