Site: 001

SUNY DOWNSTATE MEDICAL CENTER

BROOKLYN, NY 11203

Type: ROUTINE INSPECTION
Date: Oct-31-2008

2.31 (d) (1) (ii)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Item IACUC 2.31 d 1 ii

The IACUC shall insure the principal investigator consider alternatives to procedures that may cause more than momentary pain or distress and consider alternatives to those procedures and has provided a written narrative of the methods used to determine none were available

Protocol 03-309-08 involves both craniotomy and water restriction study,

There is no evidence that the investigator considered alternatives to these procedures.

The IACUC needs to insure the investigator for these and any similar protocols involving similar studies needs to consider alternatives for the painful/distressful procedures and provide a narrative of the methods used to determine none were available.

Correct by 12/1/08
